Coordination	Justify	

## REMARKS

Attached for your information are copies of the letters I have received from BBC on the [ ] and Islamabad projects. Estimates are fairly firm on the Islamabad expenditures. As for the dish, the BBC is working up its specification so that bids can be solicited. A rough estimate was \$48,000, per [ ] message attached. The strange method of procurement is designed to reduce costs. If BBC lays out its money and recovers from us a large administrative apparatus must be brought into play, with attendant expense. If we pay the bills they have chopped off on, the cost to us is less.
